

70 Weeks

69 Weeks

By Walter R. Dolen

From the *Prophecy Papers*: pr198» In Daniel 9:24-27 it speaks about the 70 weeks. As we indicate in the “Last War and God’s Wrath” paper [PR5], these 70 weeks can indicate either 70 weeks of days or 70 weeks of years. In the “Last War and God’s Wrath” paper we show you the interpretation of the **70 weeks of years** [Dan 9:2, 24-27; Matt 18:22]. In this paper we will show you the interpretation of the **70 weeks of days**. Let’s look at the scripture:

Dan 9:24: <24> Seventy weeks are determined {divided} concerning your people and upon your holy city, to finish the transgression, and to seal up sins, and to make atonement for iniquity, and to bring in righteousness of olams, and to seal up the vision and prophecy, and to anoint (the) holy of holies [most Holy]. <25> Know therefore and understand, that from the going forth of the commandment {word} to restore and to build Jerusalem unto (the) anointed prince {leader, ruler, ‘one in front’} shall be seven weeks, and threescore and two weeks: the street shall be built again, and the moat {trench}, even in troublous times. <26> And after the weeks, threescore and two, shall (the) anointed one be cut off, but not {nothing} for himself {‘and not for him’}: and the people of the prince¹ {leader, ruler}, who is to come, shall destroy the city and the sanctuary; and his end thereof shall be with a flood, and unto the end of the battle, desolations are decreed. <27> And he shall confirm a covenant with many for one week: and in the midst of the week he² shall cause the sacrifice and the offering to cease, and upon the wing [extremity] of abominations (comes) the desolator that makes desolate [11:31], but at the full end that (which is) decreed shall be poured out upon the desolator” (Dan 9:24-27, BCB).

pr199» This can be interpreted two ways and should be interpreted both ways. The anointed one is interpreted by many as Jesus Christ, but the ‘he’ in verse 27 is interpreted by some as the Antichrist. They believe that the Antichrist will make an agreement (covenant) for one week of years, that is

¹ The “prince” here cannot refer to Christ, since His people didn’t destroy the city or sanctuary or the city, therefore it must be the antichrist. There are dual meanings here.

² The “he” here cannot refer to Christ, since this will be taken away by the dealings of the antichrist, therefore it must be the antichrist. There are dual meanings here.

for seven years, but in the middle of the seven years he will break this agreement (p. 223, Biederwolf). In such books as *The Millennium Bible*, by William E. Biederwolf (pp. 217ff) various interpretations are listed, both the Messianic and anti-Messianic interpretations. ([See PR11 In Prophecy Papers: Biblical Prophecy, Expanded Edition, 2018, where we reproduce these pages.](#)) In fact, this obscure and difficult scripture has to do with both the Messiah and the anti-Messiah. The real Messiah, Jesus Christ, was born approximately 2,000 years ago (see *New Chronology Papers*). He died after three and one-half years of teaching, on a Wednesday, a Passover on the 14 of Nisan of the Jewish Calendar. At His death, in one sense sacrifice and the offering ceased (Dan 9:27) because His was the perfect and fulfilling sacrifice (study Hebrews chapter 9 & 10; note Heb 10:18 & Zech 11:10). Christ was cut off after three and one-half years of confirming a new covenant (Heb 8:6ff; see *New Chronology Papers; Handbook of Biblical Chronology*, Finegan, pp. 280-285; see Dan 9:26; Isa 22:25; Zech 11:10). His two witnesses will fulfill the rest of the seven years in their 1260 days (Rev 11:3-4; Zech 4:11-14; see “Two Witness” paper [PR8] & “Last War” [PR5, pr284 ff]). Christ began his three and one-half years of confirming the new covenant starting at his ‘Baptism’ which was 69 weeks of years (483 years) [Dan 9:2, 24- 27; Matt 18:22] after a word had gone out to rebuild Jerusalem (see *New Mind Papers* & “Last War” paper [PR5]). Jesus Christ fits the scripture in Daniel 9:24-27. But also the Antichrist will fit these scriptures. The Antichrist may be a participant of an agreement or covenant. He will be the false-Christ who will manifest himself in the last 1260 days of the Old Age (Rev 13:11-18, ‘like a lamb’; 1 John 2:18; 2 John 2:7; 2 Thes 3-4; Matt 24:15; Dan 11:36-39, 31-32; 8:9ff). There will be an order to restore and build Jerusalem 69 weeks of days (483 days) before the false Messiah comes (Dan 9:25-26). This Antichrist will sit down in the ‘temple’ of the God pretending that he is the God (2 Thes 2:4; Dan 11:36; 8:23ff; Ezek 28:2; etc.). He is the false messiah projected in one meaning of Daniel 9:25-26. He will kill the two witnesses 3 1/2 days after he declares his false Messiahship and 3 1/2 days before the Real Messiah comes and saves the world from total destruction. As noted before, the real Messiah is also projected in Daniel 9:25-26. The vagueness of this scripture has something to do with the cherubs, the right and left side of the True God (see *God Papers*).

Note: All scriptures pertaining to the Beast's **1290/1260 days**, do not mention exactly **when** his 666 name is revealed, or **when** he established the new money system, or **when** he tries to change the law and time, or when he ..., but it does mention **when** he kills the two witnesses and when he manifests his false-godhood as shown in the chart above. Some to many of the things the Beast-man and Beast-system do may not happen at the very beginning of his rulership, but may come to fruition sometime within the 1290/1260 days.
